**AUG 22 2008**

In re Application of	:	
Don R. James, Jr et al.	:	
Application No. 10/812,220	:	DECISION ON PETITION
Filed: March 29, 2004	:	
Attorney Docket No. 200313892-1	:	

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed May 30, 2008, to revive the above-identified application.

The petition is **GRANTED**.

This application became abandoned for failure to timely file a reply within the meaning of 37 CFR 1.113 to the final Office action of October 31, 2007. The proposed reply required for consideration of a petition to revive must be a Notice of Appeal (and appeal fee required by 37 CFR 41.20(b)(2)), an amendment that *prima facie* places the application in condition for allowance, a Request for Continued Examination (RCE) and submission (37 CFR 1.114), or the filing of a continuing application under 37 CFR 1.53(b). See MPEP 711.03(c)(III)(A)(2). A one month extension of time pursuant to the provisions of 37 CFR 1.136(a) was obtained. Accordingly, the date of abandonment of this application is March 1, 2008.

There is no indication that the person signing the petition was ever given a power of attorney or authorization of agent to prosecute the above-identified application. However, in accordance with 37 CFR 1.34(a), the signature of Scott Lund appearing on the petition shall constitute a representation to the United States Patent and Trademark Office that he is authorized to represent the particular party in whose behalf he acts. If petitioner desires to receive future correspondence regarding this application, the appropriate power of attorney or authorization of agent must be submitted

It is not apparent whether the statement of unintentional delay was signed by a person who would have been in a position of knowing that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. Nevertheless, in accordance with 37 CFR 10.18, the statement is accepted as constituting a certification of unintentional delay. However, in the event that petitioner has no knowledge that the delay was unintentional, petitioner must make such an inquiry to ascertain that, in fact, the delay was unintentional. If petitioner discovers that the delay was intentional, petitioner must so notify the Office.

As authorized, \$1540 for the payment of the Petition to Revive Unintentionally Abandoned Application and \$810 for a Request for Continued Examination (RCE) will be charged to petitioner's deposit account.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of a Request for Continued Examination (RCE) and fee of \$810, and the submission required by 37 CFR 1.114; (2) the petition fee of \$1540; and (3) a proper statement of unintentional delay.

Telephone inquiries concerning this decision should be directed to Denise Williams at (571) 272-8930.

This application is being referred to Technology Center AU 2191 for appropriate action by the Examiner in the normal course of business on the reply received.

A handwritten signature in black ink, appearing to read 'A. Smith' or similar, written in a cursive style.
